Stores have the option to offer lane choice to Heat winners. Second place qualifiers may choose after the first place finishers. Cony qualifiers do not get lane choice. Class Feature Points are awarded in a flipped configuration. 10 for first, 9 for second and so on. 1 point to be awarded for the fastest lap per lane from the feature. Feature winners will be the class winner. Feature finish points, Fastest feature lap points and average appearance points will be used to determine the event winner. If there is a tie of points, total laps from both features will be used as a tie breaker.

**Round Robin Feature Qualifiers and Finishing Stats/Position – 3 minutes per lane**
